

INTRODUCING A NEW COLLABORATIVE PROGRAM BETWEEN KING'S UNIVERSITY COLLEGE & FANSHAWE COLLEGE

FINANCE & WEALTH MANAGEMENT

THE PROGRAM

The Finance & Wealth Management program is a 4-year collaborative program offered by King's and Fanshawe. Successful graduates of the program will receive a Bachelor of Arts - Finance (3 year) degree from Western University, and a Business - Finance (2 year) diploma from Fanshawe College. In addition, the primary educational components of:

Personal Financial Planner® (PFP®)¹,
Qualified Associate Financial Planner™ (QAFP™)², and
Certified Financial Planner® (CFP®)³ certification can be completed, as well as preparation to write industry licensing exams such as Investment Funds In Canada, Canadian Securities Course® (CSC®), and Life License Qualification Program (LLQP) which will further enhance career opportunities.

PROGRAM COURSE REQUIREMENTS AT KING'S & FANSHAWE

Students complete their course work at alternating campuses until the fourth year when they complete one semester at King's and one semester at Fanshawe. Students in the Finance & Wealth Management program may apply to participate in co-op opportunities available through Fanshawe College. This participation would extend the length of program outlined in the agreement should they opt for the additional two work terms required to complete the co-op program. Participation in the co-op program is not guaranteed.

HOW TO APPLY

First-year students apply to the Finance & Wealth Management program via OUAC, within the Social Science program at King's (OUAC code EKO) and must meet the following admission requirements:

- Achieved a minimum overall high school average of 80% (calculated on the top 6U/M grade 12 courses, including pre-requisites)
- Completed MCV4U or equivalent with a minimum final grade of 60%
- Admission to the program is competitive, and possession of the minimum requirements does not guarantee admission

Finance & Wealth Management is available for full-time registration only.

Once accepted into the program, students will alternate between the two institutions: Year 1 - King's, Year 2 - Fanshawe, Year 3 - King's and Year 4 - Fanshawe, 1st semester/King's, 2nd semester.
