

King's becomes a SMOKE + VAPE FREE CAMPUS July 1st, 2019

Smoking and vaping will be prohibited
in all buildings and all campus areas.

Smoking on city sidewalks is permitted. Smokers are asked to be considerate of others and avoid high pedestrian traffic areas when choosing a location to smoke. The following are some suggested smoking areas.

For any concerns regarding the new smoke & vape
free campus, please contact:

Chris MacNeil
Director of Physical Plant

King's becomes a SMOKE + VAPE FREE CAMPUS July 1st, 2019

The new smoke & vape free campus offers a number of benefits for all:

- A smoke-free campus provides many health benefits including preventing the effects of secondhand smoke.
- Other institutions including Western will be smoke-free by July 2019.

Resources

If you are a smoker who wishes to quit, we want you to feel supported on your journey to wellness. Please visit our Quit Smoking resource page at kings.uwo.ca/smoke-free-campus for more information
