# HOW DO I WORK WITH A RESEARCH SUPERVISOR?

- All 13 full time faculty at King's can supervisor your thesis if they are available
- You may want to work with someone who has similar research interests (e.g., cognitive, social, developmental)
- You cannot register in the course until you have secured an advisor.

# HOW DO I WORK WITH A RESEARCH SUPERVISOR?

- All students currently enrolled in the thesis stream will complete a matching form by March 29th (using Qualtrics)
- You will be sent the link by ADO office
- Matches will be made based on research interests.
- Notification of decisions will be made by April 31st
- Once final grades are released additional spots may be released.
- All matching and enrollment decisions will be finalized by May 31st

# MATCHING FORM

You will not be evaluated or graded in any way on this form! Limit responses to one page:

- Describe the reasons why you're interested in completing a research thesis
- What are your plans after graduation? If you are unsure, feel free to share your current thoughts or considerations.
- Briefly describe your research interests, focusing on 2-3 specific areas of psychology that are of greatest interest.
- If you have any initial ideas for your thesis topic, please share them briefly.
- List the psychology courses that have been most influential in shaping your academic interests.
- Are there any additional comments or preferences you would like to provide? You may list up to 4 advisors you would like to work with.

# THESIS POSTER SESSION

March 19th 3-5pm

Garron Learning Lounge (SLC)

Everyone is Welcome to attend!
