

# Kangnam University Student Exchange Program

<http://www.kangnam.ac.kr>

# Introduction

Greetings from Kangnam University(South Korea).

We warmly invite your students to Kangnam University.

- Kangnam University maintains extensive international network with 130 universities in 20 countries and educates many international students from all over the world; Kazakhstan, China, Kenya, Nepal, Cambodia, Mongolia, Uzbekistan, Kyrgyzstan, Sudan and so on. We offer a wide range of programs which include undergraduate courses in Business & Economics taught in English and Korean language lessons through the Language Education Center. Moreover, exchange students can take courses in "Korean Studies Program". All the courses under this program are taught in English, your students could experience and learn various aspects of Korea such as Korean language, Korean culture, Korean history and Korean Economy. They can also take courses taught in Korean in other department for students with Korean fluency.

# I. Program Summary

·Student Exchange Program is a system in which students of Kangnam University and its sister universities, based an agreement on student exchanges, study in the host university for 6~12 months and get their credits accepted by home university.

·Students are able to experience the realities of living in a foreign country and studying the native language with obtaining their university credits.

# V. General Information

## 1. Accommodation(Dormitory)

- Cost : around KRW 1,122,000 per semester(6 months)
- Number of people in a room: 2 persons
- Items of furnished furniture per person: bed, desk, chair, locker, closet
- **Common facilities:** laundry room, lounge, gym, etc.
- Personal bedding items (pillow, quilt, bed sheet etc.) and personal wash items are not provided. Students are advised to buy personal items either before departure from their country or in Korea after arrival.

# V. General Information

## 2. Medical Insurance

- **All international students must be covered by health/accident insurance** to attend Kangnam University. All the foreign students must purchase one on arrival in Korea through Kangnam University.
- ① **Private Health Insurance: around KRW 100,000/6 months** (prepayment of total amount) for the foreign students who will stay for 6 months
- ② **National Health Insurance: around KRW 80,000/1 month (monthly pay)** for the foreign students who will stay for more 6 months
- In case of a medical emergency, students may go to the hospital for service. The student will have to pay the full fee up front, and then apply for some form of reimbursement from their insurance company. Medical costs in Korea are cheaper than those in the U.S., but please note that depending on student's condition, their bills can come out to large amounts.

# V. General Information

## 3. Estimated Expenses

- Air fares, housing fees, meals, textbooks, and other personal expenses will be borne by participants.
