HUMAN AND LOVE SPIRIT POWERFUL ENERGY CONNECT TO THE UNIVERSE POWER BY BENJAMIN RIANGVAREE

Rev. Dr. Grace Ji-Sun Kim

Professor of Theology, author, editor
and podcast host.

HEALING OUR BROKEN HUMANITY

We live in conflicted times. Our newsfeeds are filled with inequality, division, and fear. We want to make a difference and see justice restored so that we can become peacemaking and reconciling people. This lecture will offer Christian practices that can bring healing and hope to a broken world, such as lament, relinquishing power and reinforcing agency. Embodying these practices enables us to be the new humanity in Christ, so the church and world can experience reconciliation, justice, unity, peace, and love.
