

CENTRE FOR CREATIVITY AT KING'S UNIVERSITY COLLEGE

PRESENTS

CREATIVITY

WITH DR. IMANTS BARUSS

PROFESSOR OF PSYCHOLOGY, KING'S UNIVERSITY COLLEGE

Professor Baruss considers a couple of poems and paintings before moving on to the psychological sources of creativity and the notion, as suggested by quantum theory, that we could be co-creatively responsible for the reality that we experience.

FRIDAY NOVEMBER 25, 2011

7:00 – 9:00 PM

VITALI STUDENT LOUNGE

Centre for Creativity

KING'S
UNIVERSITY COLLEGE
at The University of Western Ontario
