National Day For Truth and Reconciliation Policy

That September 30 be recognized as a day that honours the survivors of the Canadian residential school system, their families, and communities. Acknowledgement of the horrendous abuses committed at the schools is a critical part of establishing collective awareness of our history past, but it must be accompanied by broader reflection and response to the legacy of colonization and disenfranchisement that spans centuries. September 30 will be observed as a non-instructional day to allow students and employees to observe this day as an opportunity to advance the work of 'Truth and Reconciliation' as we reflect on the meaning of decolonization, and the actions required by the Western community to achieve it. If September 30 falls on the

weekend, the Office of Indigenous Initiatives will be consulted as to when to observe the National Day for Truth and Reconciliation.

King's School of Social Work Policies 2026-2027

Attendance For Professional Years

The Bachelor and Master of Social Work programs are intensive professional preparation programs that emphasize both academic and professional integrity. Regular attendance is not only essential for student success but is also a requirement set by the Canadian Association of Social Work Education (CASWE) for program accreditation and by the Ontario College of Social Workers and Social Service Workers (OCSWSSW) as part of professional expectations. A key aspect of this integrity is active engagement in all classes, integration seminars, and practicum activities. We recognize that students may encounter challenges that affect their ability to attend, and we are committed to working collaboratively to support student success while upholding professional expectations.

Attendance Expectations

1. Regular attendance is expected in all BSW and MSW professional Social Work courses. Each class provides essential learning experiences that cannot always be replicated outside the classroom. Engaging fully in coursework supports both individual learning and the integrity of the social work profession.
2. No more than two absences for any reason per class, per semester (approximately 20% of any one class). If a student misses three or more classes or 25% of any one class for any reason, they will be referred for support to the Coordinator of Academics and Development.
3. If a student is facing barriers to attendance, we encourage early communication with instructors and the School of Social Work support staff to explore potential solutions.
4. If a student is experiencing ongoing difficulties attending class, they will be required to meet with the Coordinator of Academics and Development to discuss available supports and strategies (Please see Student in Difficulty Policy).

5. Instructors require regular attendance as part of course participation. When a student has missed a class, they may be asked to demonstrate that they have caught up on the missed content or engage in additional learning activities to ensure they meet course requirements. Instructors have the discretion to determine if and how alternative learning activities may substitute for missed coursework.
6. Absenteeism (more than two absences) may result in Academic Probation and/or failure of the course and provides grounds for requiring a social work student to withdraw from the program. Please note: regularly arriving late and/or leaving early will be considered absenteeism, unless an accommodation is in place.

Absences from Practicum: Students should refer to the relevant Professional Practicum Education Policies and Guidelines Manual for policies about attendance at placement.

Absences Due to Illness, Injury, Bereavement, or Other Compassionate Circumstances

We understand that unexpected situations may arise. If you are absent due to illness, injury, bereavement, religious observance, or other compassionate circumstances, you will not be penalized. However, you remain responsible for any missed coursework and should communicate with your instructor as soon as possible to discuss how to stay on track. You may also want to provide formal documentation to support these absences, in which case the absences are considered part of Academic Consideration.

Student Responsibilities:

- **If you miss a single class (or more than one class in a single week)**, inform your instructor(s) at the earliest opportunity. You will not be penalized, but you are responsible for making up any missed content. If you miss 3 or more classes for any reason, you will be required to meet with the Coordinator of Academics and Development, at which time you will have the opportunity to discuss any ongoing concerns and opportunities for support.
- **If you are going to miss an assignment deadline, test, or exam**, contact your instructor. If requested by your instructor contact the **Coordinator of Academics and Development** and provide documentation to support the absence. The Coordinator will work with you and your instructors to arrange accommodations.
- **Upon your return**, speak with your instructor(s) to clarify expectations for catching up on missed coursework.

Instructor Responsibilities:

- Students will not be penalized for absences due to illness, bereavement, religious observance, or other compassionate reasons. However, if you have missed two classes for any reason your instructor will alert the **Coordinator of Academics and Development**. Three or more absences for any reason will result in the student needing

to meet with the Coordinator of Academics and Development to discuss these absences and explore available supports to help you succeed.

- Instructors will provide reasonable alternatives to help students meet academic requirements while maintaining fairness and consistency across the course.

For more details, refer to Western University's **Absence Due to Illness Policy**: [Western University Absence Policy](#).

Absences for Religious Observance

King's University College and Western University are committed to valuing religious diversity. Students observing religious holidays that require absence should provide written notice to their instructor and the Coordinator of Academics and Development at least two weeks in advance.

Instructors will ensure students are provided with fair and reasonable alternatives to meet academic expectations.

For a list of approved religious observance dates, visit: [Accommodation for Religious Observance](#).

Unapproved Absences

Absences that are not related to illness, injury, bereavement, compassionate grounds, or religious observance are considered unapproved. Students may have up to two unapproved absences per course without penalty.

Process for Unapproved Absences

- **Single unapproved absence:** If you miss a class, notify your instructor as soon as possible. While you will not be penalized, you are responsible for catching up on missed content.
- **Three or more absences for any reason:** Missing three classes in a single course (30% of a course) will trigger the **Student in Difficulty Policy**. You will be required to meet with the Coordinator of Academics and Development to discuss your absences and explore available supports to help you succeed.
 - If you miss more than 30% of a course, you may be placed on academic probation and could face further actions under University Senate Regulations, which may include failing the course or being required to withdraw from the program.

Make-Up Work

If a student misses classes, instructors may assign make-up work to ensure that learning outcomes are met. While this work may not always be identical to what was completed in class, it is designed to provide meaningful learning opportunities.

Supporting Student Success

We recognize that students may face challenges in balancing their academic and personal responsibilities. Our goal is to work together to find solutions that support your learning and overall well-being while maintaining the integrity of the social work profession. If you are struggling with attendance or other academic concerns, please reach out to your instructors or the Coordinator of Academics and Development for support.

For additional guidance or clarification, please contact the School of Social Work.

ACADEMIC ACCOMMODATION (See King's Policies below for more information)

Academic accommodation can refer to missed classes, tests/exams or deadlines for written work. Students who request academic accommodation based on medical or compassionate grounds for course work/assignments/tests **worth 10% or less** of the overall grade should consult their Instructor directly. Your instructor will advise you of their policy with respect to work worth 10% or less of the course grade.

Students who request a due date extension based on medical or compassionate grounds for course work or written assignments worth **more than 10%** of the overall grade should proceed as follows:

Short Term Extensions for Non-Medical Reasons: The request for a short term extension (5 days or less) for non-medical reasons is to be made to the Instructor in writing (email is fine) and will be replied to in writing by the Instructor (again email is fine). The form of documentation is determined by the Instructor. If an extension is warranted the Instructor will indicate in the email the revised due date for the assignment.

All Other Requests for Extensions: Medical Grounds, Other Grounds Requiring Documentations, Extensions Past Five Days:

Students requesting an extension for will be asked to alert their Instructor that they will be seeking an extension and make an appointment to meet with an Academic Counsellor. Within the School of Social Work, the dedicated Academic Counsellor is the Coordinator of Academics and Development. The choice is up to the student. A student's request for an extension will be reviewed by the counselor based on appropriate documentation. Those students who are requesting an extension for medical reasons will be asked to provide a Student Medical Certificate (SMC) which may be found [here](#). After discussion between the student and the counsellor, the counsellor will recommend a particular accommodation to the student's instructor via email. The counsellor will direct the student to the instructor to confirm the recommended accommodation. If the instructor agrees to an extension or particular accommodation, the details (including new due date) are either approved within the request system, or are to be provided to the student in writing (email).

Please note: short-term accommodations are considered for deferrals and/or extensions up-to and including two weeks beyond the original date by which an evaluation is due. Anything beyond two weeks is considered to be long-term and additional documentation may be required.

Documentation/Confidentiality: **ALL** supporting documentation (medical or otherwise) should be submitted to the Academic Counsellor who will then advise the instructor(s) involved that appropriate documentation has been received and that accommodation is warranted. It is at the student's discretion to reveal, or not, further details of the situation. In most instances, short-term accommodation requests for illness, injury, bereavement, or compassionate circumstances are requested through the Coordinator of Academics and Development and must be accompanied by appropriate documentation to support the request.

Policy Advisory Committee February 2025
School Council March 2025

Incompletes and Special Exams

An Incomplete or Special Exam involves a formal accommodation which is recommended by an academic counsellor to the instructor, based upon a student's documented situation. The conditions of the Incomplete/Special Exam are negotiated between the student and the instructor and must be approved by the Director and the Academic Dean. Once approved, a grade of INC or SPC is submitted for the student until such time as the conditions of the Incomplete/Special Exam are fulfilled.

- a) Incompletes/special exams must be requested by the student in writing, with supporting documentation if appropriate, and arrangements for the completion of course work negotiated in writing between the professor and the student.
- b) If on the due date, the Director does not receive a grade revision or a request for a further extension due to medical or compassionate reasons, the Director forwards an automatic "F" to the Dean. The Director will do this by 4:00 p.m. the day following the due date.

In cases where a further extension is requested, additional documentation/rationale must be provided and a revised Incomplete Form submitted. The Director must approve the extension. If this further deadline is not met, the granting of an "F" is automatic.

Missed Tests or Examinations

Students are responsible for seeking accommodation with appropriate documentation, prior to writing tests/examinations, if they are of the view that their performance may be affected by extenuating circumstances.

Students who do not attend a test or examination for non-medical or non-emergency reasons will not be permitted to take a makeup test or examination, nor will the term mark be re-weighted in any fashion in order to accommodate missed examinations. However, students who have a legitimate emergency, medical or otherwise, and who miss a test or examination worth 10% or

more of the term grade will be asked to alert their Instructor that they will be seeking accommodation and make an appointment to meet with an Academic Counselor. The dedicated Counsellor within the School of Social Work is Tosha Densky, Coordinator Academics and Development. Alternatively, an undergraduate student could choose to meet with an Academic Counsellor from the Academic Dean's office. The choice is up to the student.

The student's request to write a makeup test/exam will be reviewed by the counsellor based on appropriate documentation. Those students who are requesting an accommodation for medical reasons will be asked to provide a Student Medical Certificate (SMC) which may be found [here](#).

After discussion between the student and the counsellor, the counsellor will recommend a particular accommodation to the student's instructor via email. The counsellor will direct the student to the instructor to confirm the recommended accommodation. If the instructor agrees to an extension or particular accommodation, the details (including new due date) are approved and provided to the student in writing (email).

In the event that the student has formal accommodations and writes exams using Accommodated Exam Services, it will be the student's responsibility to cancel and reschedule their exam with Accommodated Exams (pending instructor approval).

In the event that the student does not write with Accommodated Exam Services, the student's instructor will schedule a make-up test/exam date. For exams or tests worth less than 10% of the term grade, students should consult their instructor. Only students for whom emergency circumstances prevented their completion of a test/examination will be eligible for accommodation by the instructor.

Policy Advisory Committee February 2025
School Council March 2025

Policy on Grade Adjustment for Late Assignments

Students should negotiate any extension requests (whether an accommodation is applicable or not) in writing with the Instructor prior to the assigned due date. Failure to meet deadlines without prior permission of the Instructor will result in a reduction of marks. **Marks for papers/assignments received after the due date will be reduced by 2% per day** (including weekends) to a maximum of 5 days, after which time the assignment will not be accepted. Should the Student be granted an extension (based on a negotiated accommodation or extension request), they are expected to submit their paper/assignment by the negotiated due date, and are not subject to the provisions outlined in the Grade Adjustment for Late Assignments policy. The Instructor has the authority to refuse to grade a paper/assignment submitted past the negotiated due date (for which the Student has not negotiated a new due date based on extenuating circumstances).

6. Three Stages of Review:

Three stages of review can occur in the School of Social Work regarding conduct that is not consistent with the recognized ethics and standards of the profession of social work. Each stage of the review is not mandatory within the process, nor are they necessarily sequential, depending upon the uniqueness of any situation and the seriousness of the allegation of the breach of this Policy. The overall commitment of the School of Social Work is to resolve any concern related to the professional conduct of a student, at Stage One or Stage Two, through a mediation approach with the student as early as possible, with appropriate supports in place at any given stage.

6.1 The School is committed to resolving concerns at the least intrusive level possible, with a preference for early, supportive intervention.

6.2 Stage One: Informal Resolution

6.2.1 Concerns are addressed directly with the student(s) where appropriate. Examples include, but are not limited to, concerns between an instructor or school personnel and a student, or between two or more students.

6.2.2 The instructor or relevant party will:

- Discuss the concern with the student
- Seek resolution within a defined timeframe
- Keep documentation of relevant discussions

6.2.3 In practicum settings, procedures will follow the Professional Practicum Education Policies and Guidelines Manual.

6.3 Stage Two: Structured Support and Planning

6.3.1 If concerns are not resolved at Stage One, or it is determined by the relevant parties that more structured support and planning is appropriate at any point in the process (e.g. new

concerns arise, concerns are significant, or the need for additional resources and support for student success is identified), a Stage Two review will be initiated.

6.3.2 A meeting will include:

- The student
- The instructor (if applicable)
- The Coordinator of Academics and Development
- Graduate Program Coordinator (graduate students)
- Manager of Professional Practicum Education (if applicable)

6.3.3 The student may be accompanied by a support person, provided that:

- The support person is not a current student
- The identity of the support person is shared in advance of the meeting
- The support person is bound to the confidentiality of the process and may be required to sign a confidentiality agreement

6.3.4 The role of the support person is to provide emotional and/or procedural support only. The support person:

- Does not participate directly in the discussion
- Does not speak on behalf of the student
- Does not have decision-making authority or vote

6.3.4 Outcomes will include:

- A written plan outlining:
 - Specific concerns
 - Required actions
 - Timelines
 - Available supports

6.3.5 A follow-up meeting may be identified where appropriate to assess progress.

6.4 Stage Three: Formal Review

6.4.1 A Stage Three review may occur when:

- similar or new concerns arise;
- Concerns are serious in nature; or
- Previous stages have not resolved the issue

6.4.2 A Review Committee will be convened and chaired by the Director and be comprised of

the Graduate Program Coordinator (for MSW students), Manager Professional Practicum Education, or designate, and members of Stage one and/or two as determined by the Director.

6.4.3 The student will:

- Receive written notice of concerns
- Be informed of the meeting date
- Be invited to attend and respond
- Be permitted a support person

6.4.4 The student may be accompanied by a support person under the same conditions outlined in Section 6.3.3–6.3.4.

6.4.5 If a student chooses not to attend the Stage Three review meeting, they may submit a written response or rebuttal to the concerns in advance of the meeting. This submission will be considered by the Review Committee as part of its deliberations. If a student does not attend a scheduled Stage Three review meeting or does not respond in a reasonable timeframe to attempts to schedule a meeting, the meeting will proceed in the student's absence.

6.4.6 The Committee will:

- Review relevant information
- Consider the student's response (verbal and/or written)
- Ask questions and seek clarification

6.4.7 Decisions will be made by majority vote.

6.4.8 Outcomes may include:

- No further action
- Conditions for continuation (e.g., probation, learning plans, supports)
- Referral to appropriate services (e.g., Student Services, Human Resources where applicable)
- Recommendation for withdrawal or suspension:
On rare occasions, it may be recommended that the student no longer continue in the social work program, be suspended, or be withdrawn from the University. The student will be counselled to voluntarily withdraw. If that does not occur, the student will be reported by the Director to the Academic Dean, with a recommendation for suspension or withdrawal. Under the jurisdiction of the Student Code of Conduct, the student will be reported to the Dean of Students. The student will be provided with specific reasons for the recommendation. Any readmission will be subject to the regulations pertaining to "unsatisfactory performance" outlined by the Western Academic Calendar.

6.4.9 The decision will be communicated to the student in writing.

6.4.10 In any Stage Three review, there must be clear, concise documentation of concerns as well as verification that these concerns have been discussed directly or otherwise shared with the student and that attempts have been made to address the concerns where appropriate. Retention of information on the student's academic record will comply with the regulations outlined under "Offence Record" and "Release of Information Concerning Scholastic Offences" in the Western Academic Calendar.

7. Retention and Disposition of Documentation

7.1 Any documentation relating to any stage of review will be maintained in the student's academic file. Documentation will be kept until such time as the student graduates from the social work program. If the student is asked to withdraw from or discontinue in the program, or is suspended or expelled from the University, the documentation will be retained in the file in perpetuity.

7.2 *Records will be retained in accordance with University policies and applicable regulations.*

8. Access to Documentation

8.1 Access to documentation is restricted to school personnel directly involved in:

- The review process
- Program administration and oversight

9. Appeals

Any decision made by the Stage Three review committee or the Director can be appealed to the Vice Principal, Academics and/or the Academic Dean, King's University College and the King's University College Discipline Committee.

9.2 In addition, students may submit a written request for reconsideration to the Director of the School of Social Work within ten (10) business days of receiving the written decision, where there is:

- New information not previously available
- A concern regarding procedural fairness

9.3 The Director will determine whether the request meets the criteria for reconsideration.

School of Social Work Course Policy

Students are expected to complete all required evaluation components, by the dates indicated in the course syllabus, to successfully pass each course and progress in the program. Students must achieve a cumulative average of 60%+ on all individual assignments, before late penalties, to pass the course and meet progression requirements. A student who fails to submit all the required assignments (including tests and exams if applicable), by the agreed upon timeline, will not meet progression requirements of the program. In courses where group work and individual assignments are part of the evaluation components, students must earn a passing mark on their individual work (case write-ups, essays, reports, and/or class contribution) to pass the course and meet progression. If the student receives a failing mark on individual work and a passing grade on the group presentation/report, they will not meet progression requirements.

Students with course conflicts and approved inter-university athletic conflicts, or students unable to hand in a summary or participate in the report based on medical or compassionate grounds, may appeal for an extension, or for concessions to the above policy. Requests for accommodations based on medical or compassionate grounds must always be accompanied by appropriate documentation – either with the request, or as soon as possible after the fact and be

made through the Coordinator Academic and Development and/or the student's Accessibility Counsellor. Students who have any problems that may hinder their academic performance are encouraged to discuss these issues with their instructor and/or the Coordinator Academic and Development before the assignments are due.

1. Academic Accommodations, Consideration for Absences

ACADEMIC ACCOMMODATION

Accessibility Services works to ensure that academic programs are accessible to all students, and supports students who may have a condition related to, but not limited to, vision, hearing, mobility, different ways of learning, mental health, chronic illnesses, chronic pain, autism spectrum disorder, ADD/ADHD, and temporary conditions (beyond short-term academic consideration). Accessibility Services provides recommendations for accommodation based on medical documentation or psychological and cognitive assessment. The accommodation policy can be found here **Academic Accommodation for Students with Disabilities**. Information on Accessibility Services at King's can be found **here**.

ACADEMIC CONSIDERATION FOR STUDENT ABSENCE

If a student is unable to meet a course requirement due to substantial but temporary extenuating circumstances (medical or compassionate), they should follow the procedures below.

In some cases, where instructors have built flexibility into their assessments, this flexibility will already address consideration needs.

Requests for academic consideration should be directed to the Academic Advising Office of your faculty/college of registration. Requests must be made as soon as possible and no later than 48 hours after the missed assessment.

As a rule, documentation is required for academic consideration. For academic consideration requests on medical grounds, the Student Medical Certificate is available at

https://www.kings.uwo.ca/kings/assets/File/currentStudents/courses_enrollment/exams_and_tests/SMC-Feb-2025.pdf.

Students are permitted one academic consideration request without supporting documentation per term per course.

Instructors may designate one assessment per half-course weight as requiring formal supporting documentation. Please refer to the course outline for each course.

For further information, please see:

https://uwo.ca/univsec/pdf/academic_policies/appeals/academic_consideration_Sep24.pdf

ABSENCES FROM FINAL EXAMINATIONS

If you miss the Final Exam, contact the Academic Advising Office of your faculty/college of registration as soon as you are able to do so. They will assess your eligibility to write the Special Examination (the name given by the University to a makeup Final Exam).

You may also be eligible to write the Special Exam if you are in a “Multiple Exam Situation” (e.g., more than 2 exams in 23-hour period, or more than 3 exams in a 47-hour period).

If a student fails to write a scheduled Special Examination, the date of the next Special Examination (if granted) normally will be the scheduled date for the final exam the next time this course is offered. The maximum course load for that term will be reduced by the credit of the course(s) for which the final examination has been deferred. See the Academic Calendar for details (under **Special Examinations**).

RELIGIOUS ACCOMMODATION

Students should consult the University's list of recognized religious holidays, and should give notice in writing to the instructor and Academic Advising Office if a course requirement will be affected by a religious holiday/observance. Notice must be given as early as possible, and no later than two weeks prior to an examination, and one week prior to a midterm test date. It is the responsibility of such students to inform themselves concerning the work done in classes from which they are absent and to take appropriate action.

4. Statement on Use of Electronic Devices

Use of Electronic Devices: Unless explicitly stated otherwise, you are not allowed to have a cell phone, or any other electronic device, with you during tests or examinations. Unauthorized possession of such a device during a test or examination constitutes an academic offence.

Use of Laptops, Tablets, and Smartphones in the Classroom: King's University College at Western University acknowledges the integration of new technologies and learning methods into the curriculum. The use of electronic devices such as laptop computers, tablets, or smartphones can contribute to student engagement and effective learning. At the same time, King's recognizes that instructors and students share jointly the responsibility to establish and maintain a respectful classroom environment conducive to learning.

The use of electronic devices by students during lectures, seminars, labs, etc., shall be for matters related to the course at hand only. Students found to be using electronic devices for purposes not directly related to the class may be subject to sanctions under the Student Code of Conduct; see

https://kings.uwo.ca/sites/2025/assets/files/campus/Kings_Code_of_Student_Conduct.pdf

Inappropriate use of electronics (e.g., laptops, tablets, smartphones) during lectures, seminars, labs, etc., creates a significant disruption. As a consequence, instructors may choose to limit the use of electronic devices in these settings. In addition, in order to provide a safe classroom environment, students attending in-person class sessions are strongly advised to operate laptops with batteries rather than power cords.

5. Statement on Academic Offences

King's is committed to academic integrity. Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, is posted at

https://www.uwo.ca/univsec/pdf/academic_policies/appeals/scholastic_offences.pdf

It is expected that students will submit work that is truly their own, completed without external assistance (human or artificial) except as explicitly permitted by the course instructor. Check with your instructor on what tools, including generative AI (ChatGPT, translation tools, grammar-checking tools) are permitted in the course. Because a tool is permitted in one course, that does not mean it is permitted in other courses.

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system; see **[https://elearningtoolkit.uwo.ca/tools/Originality Reports - TurnItIn.html](https://elearningtoolkit.uwo.ca/tools/Originality_Reports - TurnItIn.html)**.

Computer-marked multiple-choice tests and/or exams may be subject to submission for similarity review by software that will check for unusual coincidences in answer patterns that may indicate cheating.

6. Copyright of Course Material

Lectures and course materials, including PowerPoint presentations, tests, outlines, and similar materials are protected by copyright. Faculty members are the exclusive owner of copyright in those materials they create. Students may take notes and make copies for their own use. Students may not allow others to reproduce or distribute lecture notes and course materials publicly (whether or not a fee is charged) without the express written consent of a faculty member. Unauthorized sharing of class content is subject to academic discipline.

Similarly, students own copyright in their own original papers and exam essays. If a faculty member wishes to post a student's answers or papers on the course website, they should ask for the student's written permission.

7. Use of Recordings

Participants in this course are not permitted to record the sessions, except where recording is an approved accommodation and/or the participant has the prior written permission of the instructor. Unauthorized recording and/or sharing of class content is subject to academic discipline.

8. Policy on Attendance

Any student who, in the opinion of the instructor, is absent too frequently from class or laboratory periods in any course, will be reported to the Dean of the Faculty offering the course, after due warning has been given. On the recommendation of the department concerned, and with the permission of the Dean of that Faculty, the student will be debarred from taking the regular examination in the course.
