

COLLEGE TRANSFER GUIDE

KING'S | Western University

WHY KING'S?

At King's, your university experience is about more than earning a degree. It's about discovering who you are and where you want to go.

Here, you'll find the space, support, and freedom to pursue your goals with confidence. This is your journey, shaped by your interests, experiences, and ambitions. With small class sizes, a tight-knit community, transformative hands-on learning, and access to the world-class facilities of Western University, you'll have every opportunity to explore your passions, uncover your strengths, and shape your future.

When you graduate, you'll leave with the confidence to take on what's next and a degree from Western University, a top ranked global institution.

School of Management, Economics and Math

Bachelor of Management & Organizational Studies (BMOS)
OUAC Program Code: EKD
Honours Specialization, Specialization

Choose a BMOS Stream:

- Accounting
- Finance & Administration
- Global Commerce
- Organizational & Human Resources

Bachelor of Arts (B.A.)
OUAC Program Code: EKO

Specialized degree programs in:

- Economics
- Finance
- Financial Economics

Honours Double Major

Management & Organizational Studies + another eligible Major

First year BMOS students take a common core of Math, Economics, and Business and then select 2.0 elective courses based on their areas of interest and potential Program(s) of study. They specialize into one of four streams beginning in second year. Each stream is linked to a professional designation or certificate program for students intent on working in a specialized field upon graduation.

Paid Internship

Throughout the MEM Co-op program, you can spend 4 to 16 months gaining real world, paid experience in your field while working with leading employers in the private and public sectors. Run through Western's co-op framework and managed by MEM, you'll attend pre-co-op sessions, submit a résumé, and complete an interview before accessing placements. It's your chance to apply what you've learned in class, build your résumé, and make valuable industry connections before you graduate.

- Co-op is available between third and fourth year
- Open to BMOS students only

School of Social Work

BSW
OUAC Code EKS – admission is into Year 3
Applications Open: November 16
Application Deadline: March 15
The program prepares students for social work practice with individuals, families, groups and communities. Students develop practical skills through direct experience in a variety of social service and health organizations under professional supervision.

MSW
Applications to the MSW are completed through Western's School of Graduate and Postdoctoral Studies. Applications open October 15, with a January 15 application deadline.

The MSW program develops and enhances the knowledge and practice skills of social work professionals through practice-oriented courses and opportunities to apply theory in real-life situations. Two streams are offered: a 1-year Advanced Standing program for students with a BSW and a 2-year program for students with a four-year undergraduate degree in another discipline.

ADMISSIONS REQUIREMENTS

College Transfers

Students applying to King's University College from a College of Applied Arts and Technology within Canada must present ONE of the following:

- Completion of a one-year General Arts and Science Certificate, Human Services Foundation Certificate, or Pre-Health Science with a minimum cumulative average of "B-"
- Completion of a two or three-year CAAT diploma with a cumulative average of "B-" or better

University Transfers

- If you started an undergraduate university program at another accredited school, you will need:
  - 70% (approx. a "B-" or 2.7 GPA) in all previous university studies for conditional consideration
  - To have experienced no extensive academic difficulty at university

Students with previous post-secondary study outside Canada may have different eligibility and document requirements. International college level study is not considered a basis of admission, and international university study may require a credential evaluation.

Admissions Requirements Notes

- Averages quoted are minimum requirements only and does not guarantee admission.
- There may be secondary school level prerequisite courses necessary to be eligible for registration in some King's courses, or to be eligible for admission to some programs. Please contact the Admissions Office for more information before applying.
- English Language Proficiency – You may be exempt from providing proof of English language proficiency if you have successfully completed two full-time years at an Ontario college in English or one full-time year at a university where the language of instruction is English. King's reserves the right to request proof of English language proficiency where required.

College of Applied Arts and Technology programs with defined Articulation Agreements may provide more transfer credits. Scan the QR code to learn more.

HOW DO I APPLY?

OSAP	If you reside in Ontario, you may apply for a student loan and grant

NEW PLACE. SAME YOU.

King's is dedicated to making sure you feel seen and supported. From the moment you step onto our beautiful campus, you'll find a welcoming community and all the personalized support you need to transition smoothly into your first year. We offer extensive resources to help you not only succeed but thrive in an environment where you truly belong.

Orientation Week

Orientation week is the best way for students new to King's to feel connected to their new home. O-Week is meant to help you learn how to succeed on campus academically and socially; both in your first year and throughout your university experience.

Summer Academic Advising (SAA)

Starting in May, students admitted to an upper year will be able to book an academic advising appointment with one of our Academic Counsellors. These appointments can assist you in making important decisions about your course selection, timetable, and degree options and planning.

COMPASS: Campus Orientation Mentorship Program for Academic and Student Success

Starting university is a big transition, but you don't have to navigate it alone. King's COMPASS connects first-year, international, and exchange students with trained peer mentors who help them build connections, find resources, and adjust to university life. Mentors are available throughout the academic year and host events, workshops, and activities designed to support your success at King's.

Campus Connections

The King's *Campus Connection* program welcomes new first-year or first-time students to King's. It connects students to each other as well as to campus, while educating them on the programs, services and supports available at King's.

International Student Services

Our international team offers a variety of programs and services to help ease your transition to Canadian life and life at King's, including free support from *King's Regulated Canadian Immigration Consultant (RCIC)* throughout the study permit process. International students can also take part in *King's Bridging Week*, which provides orientation, practical workshops, social events and activities to help you become familiar with King's, Western and London.
